WHAT DOES ZELDA HAVE TO DO WITH DIGITAL HISTORY?

IT'S DANGEROUS TO GO ALONE! TAKE THIS.
Digital Divides?

- Digital Historian Have or Have Not Departments
- Institutional Support
- In or Our of the Academy
Bridging these Divides

- Open Access
- Connecting with Online Communities of Knowledge
- Creating New Communities of Support
Benefits of a Feminist DH Community

• Historical Importance of Female Communities of Support (Berks, SAWH etc.)
• Addressing the gendered digital divide in the tech world
Weekly Discussion: The Lore Unfriendliest (self.skryrimmods)
We don’t need to go alone! Communities of support can open access to skills and discussions and create a more robust cohort of feminist digital historians.
